Subject: FW: today's call with DNR

John,

I wanted to let you know that Sarah Stillman will be joining the call today. Barbara Wester and Sarah Stillman have been filling in for Erik Olson who took a detail away from the project. They are adding valuable tribal expertise for us. As I said to you yesterday, I feel like they have a well-rounded understanding of tribal/state/federal issues which have served us well. They are coming up to speed with the details of the Tower Standard site.
